**Back Belt by Schiek**– Order #14-4006

Sizes – S, M, L, XL, XXL

So what makes Schiek non-stretch belts so special? It starts with the shape of our belt. The conical shape lends itself to the natural curve of the body, hugging the body at every turn. And the patented hip and rib contour provide extra comfort while eliminating ride-up. And because our belts are wide in front and back, they help maximize the essential intra-abdominal pressure needed to prevent serious injuries. Schiek belts are also equipped with a stainless steel buckle and a patented one way Velcro closure system.
